

MARSX™ DUAL IL VGT

MarsX Dual™ pulls players into the game with high image quality on two 27" 4k displays. Gen 9 components drive performance with uninterrupted high speed game play and the Premium Virtual Button Deck offers a high definition & minimalistic way of wagering. It occupies the same footprint size as the previous generation Helix line of cabinets and its ergonomic design provides more efficient accessibility. Sync edge halo lighting and a 4:1 speaker system set the mood for involving & memorable play and wireless charging technology allows players to charge their phone.
