ALPHA 2 Pro ® Wave

Bally

The ALPHA 2 Pro Wave® boasts a stunning, industry-first, high-definition 40" curved display, that along with the Wave's game-controlled surround lights, award-winning iDeck™, and cinematic surround-sound provides players with an immersive gaming experience.

The dramatically curved screen and the ALPHA 2 operating system showcases game graphics beautifully, and thanks to a host of games developed specifically for the Wave, as well as the cabinet's ability to operate titles developed for the V32 and V27/27 cabinets, there is an expansive game library available.

- Full high-definition (1080p) 40" curved, touch-screen game display
- Powered by the Alpha 2 operating system using the latest dual-core processing technology, greatly expanded storage, and accelerated video graphics
- Award-winning iDeck™ for increased player interaction
- Combined bill in and ticket out path simplifies player interaction
- Ergonomically placed player tracking system.
